About TNOU

The Tamil Nadu Open University (TNOU) was established in the year 2002 by the Government of Tamil Nadu for the introduction and promotion of Open Learning and Distance Education systems in the educational pattern of the State and for the co-ordination and determination of standards in such systems. Since its inception, the University has been providing cost-effective, socially-relevant Open and Distance Learning (ODL) to the hitherto unreached as well as the disadvantaged groups such as those living in remote and rural areas including the working people, housewives, physically handicapped and Scheduled Caste/Schedule Tribe students. The growth of the University during the past 16 years has been phenomenal. At present, with a cumulative student strength of 5,67,241 in 218 Programmes of study across various disciplines and skills at different levels from Certificate to Post Graduate that are imparted through 13 Academic Schools, 5 Support Divisions, 1 Media Centre, 8 Regional Centre 2 Constituent Community College and a robust network 536 centres which includes 68 Learner Support Centres that are delivering UGC approved UG & PG Programmes of TNOU. It admits the students throughout the year under two admission cycles, viz., Calendar Year (1st January - 31st December) and Academic Year (1st July – 30th June).

The Tamil Nadu Open University is the first University in the state to have introduced the credit based Self-Learning Materials in print as early as 2003. While the round-the-year admission policy with examination schedules

conveniently arranged on week–ends and the effective continuous assessment provision have sufficiently addressed the issue of quantity in the form of increasing higher education access, the University has been harnessing the advancements in ICT to continuously improve quality. The University has digitalized its learner support systems including admission, examination, material distribution, academic counselling, etc. with the teaching staff strength of 43 and non-teaching staff strength of 73, the University has been ably addressing the learning needs of all the students. The University is one of the 5, among the 15 Open Universities in the country, to have been accorded 12(B) status of the University Grants Commission (UGC), New Delhi. It is also one of the very few Universities in the country to have received approval of the UGC for offering all its academic Programmes through the distance mode.

Motto

‘Education for all and ever’ ‘vy;NyhUf;Fk; vg;NghJk; fy;tp”

Vision

Tamil Nadu Open University shall make available innovative, socially relevant educational provisions that are learner-centred, seamless and are of high quality by employing appropriate technologies to achieve equity in education, sustainable social transformation and composite national development.

Mission

Towards becoming a Centre of Excellence in Open and Distance Learning (ODL) by offering quality programmes to meet the current and emerging needs of the adult population, by widening the access to higher education and by functioning as a catalyst to bridge social, including digital divides and to build a developed India, Tamil Nadu Open University shall:

- Evolve flexible and robust curricula to widen educational access, deepen knowledge frontiers and create entrepreneurial skill sets;
- Reach the rural communities through lifelong learning programmes for livelihood improvement;
- Establish networked environments for quality assurance;
- Foster private public partnerships;
- Bridge the digital divide and implement “anywhere, anytime” learning environments;
- Become a digital repository for ODL in the State facilitating Research and Development for new knowledge creation;
- Coordinate and implement standards in ODL.

Achievements

The exemplary achievements of the University are as follows:

- Having signed an MOU with the National Skill Development Council (NSDC), the University is the only institution in the State, which has made all its vocational programmes compliant with the NSQF (National Skill Qualification Framework).
- It is the only University in the State offering B.Ed.Special Education programmes in 3 specializations of hearing impaired, mentally retarded and visually challenged in the distance learning mode.
- It has established linkages with such international institutions as the Commonwealth of Learning (COL); Asian Association of Open Universities (AAOU) and International Council for Open and Distance Education (ICDE).
- Through an MOU with the Tamil Nadu Agricultural University, the TNOU has commenced student admission for offering 16 agriculture related programmes at a distance through the Krishi Vigyan Kendra of the TNAU, aiming to cover 4,000 unemployed youth during 2016 – 2017.
