## Anti-Ragging Committee

In pursuance of the Judgment of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No.887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in Higher Educational Institutions, 2009" which have been notified on 4<sup>th</sup> July, 2009 in the Gazette of India. TNOU follows this regulation and subsequent guidelines issued in letter and spirit as below.

### Measures taken to make the campus ragging free

Anti-ragging committee was constituted at TNOU level with the Professor as the Coordinator involving the other members.

### Boards / Pamphlets / Notices

Anti-ragging and 'ragging is an offence' related banners are kept in front of Academic and Administrative building with punishment details. Anti ragging circular of TNOU is displayed in all the Notice Boards at the time of admission. Ragging and related activities are banned by Government of India and Government of Tamil Nadu.

The latest rule of this University as approved is as follows: Disciplinary action will be taken against any learners found guilty of organizing or participating directly or indirectly in ragging or any such activities either in the campus or outside the campus which would be against the canons of good conduct and behavior and would bring discredit to the institution. Those found guilty will be expelled from University.

The Anti-ragging squad entertains formal complaints on ragging on or off the campus. The Anti-ragging Committee enquires into the matters and submits its report to the Vice Chancellor of the University for further imposition of punishment as per the provisions of the Tamil Nadu Anti-ragging Act, the directives of the Supreme Court and the Regulations of UGC.

### Details of Anti-ragging Committee

Anti-ragging Committee is formed to prevent ragging related issues inside and outside the University campus. Anti-ragging special squads are sent during counseling session held at Learning Support Centres to make surprise checks and preventing incidences.
