The TNOU e-Bulletin – June 2021

Volume: 02 | Issue: 06

MESSAGE

Greetings!

On 02nd May, 2021, Tamilnadu witnessed the bright sunrise through the result of General Assemble Election - 2021. As the new government was formed with absolute majority, people of the State are tremendously hopeful for new blossoms in their life. Tamilnadu has always been the source of inspiration in terms of promoting education to all sections of the society, for which the Dravidian parties strived hard. A proverb says, "well begun is half done" that reflects in the initiatives of the new government that is taking unfathomable welfare measures with uncompromising aims to retain the Dravidian principles in all aspects. With futuristic visions, our **Hon'ble Chief Minister, Thiru. Muthuvel Karunidhi Stalin** had interactions with all Vice Chancellors of State Universities on May 11, 2021 and directed to ensure quality higher education as well as physical and mental well being of students, during the surge in COVID-19 pandemic crisis.

In his review meeting with the Vice Chancellors, our **Hon'ble Minister for Higher Education, Dr.K.Ponmudi** briefed his plans to strengthen the system of higher education in the State. **Dr.D.Karthikeyan, I.A.S.**, Principal Secretary to Govt., Higher Education Department, who is now onboard, steers the higher education in right direction.

With heartbreaking mindset in May 2021, we witnessed the deadly second wave of corona virus peaked up in India and particularly, in Tamilnadu, one of the worst affected States. It had a daily count of 33,764 fresh cases on Wednesday, 26.05.2021 and 474 deaths on Thursday, 27.05.2021. Every one of us should be thankful to the Chief Minister and his cabinet, who swiftly took the rescue measures that's why there was a considerable drop in the number of cases of corona. In this situation, we must be vigilant and adhere to the guidelines and the SOP provided by the

Prof. K. Parthasarathy
Vice Chancellor

Government from time to time. The world predicts and expects the THIRD WAVE of COVID-19 for which take the precautionary measures following wearing mask, maintaining social distance, wash hands frequently and get vaccinated. We have to value each soul which is potentially divine as said by Swami Vivekananda.

Though the May month paralyzed all activities due to lockdown, the TNOU, somewhat, planned over certain activities like self-learning material developed for B.Ed., Special Education and Short Term Programme on 'A Novel Corona Virus: Awareness, Prevention & Life Balancing'; Preparation work done for online Term-End Examinations June-2021; and Series of Vazhviyal Arangam-3rd and 4th programmes conducted.

TNOU stands out for knowledge sharing through various innovative programmes in line with introducing short-term and certificate programmes along with degree and diploma programmes. To get vast knowledge and experience, everyone should involve in life-long learning. Let us gain a great lesson by imbibing the following quote:

“புத்தகத்தில் உலகைப் படித்தால்

அறிவுசெழிக்கும்...

உலகத்தையேபுத்தகமாய் படித்தால்

அனுபவம் தழைக்கும்.”

கலைஞர் மு. கருணாநிதி

On this occasion of meeting all of you through e-Bulletin, I pray Almighty for your good health and well-being always, particularly during this pandemic situation.

With Kind Wishes,

(K. Parthasarathy)
