They are organized in terms of the subject matter rather than to aid learning. On the other hand, SLMs are the instrument for learning. The main characteristics of SLMs prepared by TNOU are Self-explanatory, Self-contained, Self-directed, Self-motivating and directed towards Self-learning Curriculum and Pedagogy: Keeping in view the skills, attention span and study habits of the learners, the content load is designed to be appropriate and manageable. A unit is a pedagogical unit that can be completed by a learner within a reasonable period of time, say for example, 5-6 hours, i.e., at the most three sittings. The SLM at TNOU are prepared as per these norms.

The help desks of TNOU and Student Grievances Redressal Cell have a mandate to provide the right information at the right time, redress grievances at every stage, and provide counselling from time to time and bridge the gap between the University and the learner. Apart from redressing the grievances received through letters, e mail, and telephone, the TNOU web portal are also been used. A coordinator has been nominated to Student Grievances Redressal Cell at headquarters, thereby establishing/ strengthening linkages in the Grievance Redressal Network of the University and made the Grievance Redressal Mechanism of TNOU. LSC is the prime contact point and the most visited place for Distance Learners. It is the main platform where learners submit the maximum number of grievances. Learners may contact Headquarters/RCS/LSCs for numerous types of grievances and queries in terms of letters, E-mail, telephone, TNOU web portal and in person. Some of them are directly handled by the LSC while many of them are to be forwarded by the LSC to Regional Centre or TNOU Headquarters through proper medium of communication.
