FOREWORD

My Dear Learner!

I deem it a great privilege to extend my heartfelt congratulations to you for having chosen the Tamil Nadu Open University (TNOU), a leading Open University for your graduation. I am also glad to brief you here the functions of the University and your Programme that will make you understand how it is open to everyone, who wants to pursue higher education. The University provides flexible entry and exit, as it provides opportunities from adult to nonagenarian in higher education.

As entering two decades in Distance Education, the University has so far produced more than 5 lakh graduates that enhances the Gross Enrolment Ratio (GER) in Indian Higher Education. Being approved by the UGC and the DEB, it is striving hard to ensure quality Open, Distance and Online Education (ODOE). In view of this, the Course Materials, the mainstay of pedagogy in ODOE, are updated suitable for the present context. In addition, the technology enabled Course Materials are also provided to you for easy and any time access. This apart, with a view to ensuring inclusive education, appropriate assistances are given to the learners with disabilities with the support of technology.

The University offers diverse Programmes at different levels including, Certificate, Diploma, Advanced Diplomas, Vocational Diploma, Graduate, Post-Graduate, and Research Programmes, besides Skill-Oriented Short-Term Programmes. In this context, I am happy to inform you that most of the Programmes are being offered not only in English and Tamil medium but also Semester and Non-Semester to satisfy the local and international demands.

The TNOU facilitates the sustainable Learner Support Services by providing holistic curriculum, Open Education Resources (OERs), continuous mentoring and assessments. The Members of staff, who serve as Programme Coordinators are always available on phone and online to counsell you with respect to your study.

This Booklet on "**Common Regulations - UG Programmes**" is designed with a view to offer you complete details pertaining to the Programme chosen. In the upcoming pages, you will be able to know about the functions of the University, Pattern of Study, Eligibility, Admission Procedures, Criteria for the Award of Degree, Programme Structure, Duration, Syllabi, Delivery Mechanism, Evaluation Cum Assessment Procedures, Conduct of Examination, Passing Minimum, Classification of Successful Candidates, Conferment of the Degree, Students Grievance Redressal Mechanism and so on.

In this context, I wish you fulfill your higher education dreams successfully and achieve greatness in your life.

"HARD WORK NEVER FAILS."

All the very best!

iv) Admission Requirements:

Admission of the candidate will be confirmed after verification of the original testimonials like Admit Card, Mark sheet, Grade Cards, Transfer Certificates and other pertinent documents specified by the University are to be submitted at the Head Quarters of TNOU or Regional Centres of TNOU or at Learner Support Centre (LSC) / Study Center. Admission will be made/ confirmed by the Head Quarters (Main Office) only. Identity Card will be issued after confirmation of admission. Admission of the candidate will stand cancelled if he / she fails to produce all original Admit Card, Mark sheet, Grade Cards, Certificates etc. whenever called for any verification.

v) Fees Payable:

- Each candidate will be required to pay requisite Admission Fees as per schedule as may be prescribed by the University from time to time. The details of the fees are available in website/ e-prospectus.
- Costs of Field Visit / Project work etc. for the subjects like BSW and BCA are to be borne by the candidate.
- In case of any loss in the laboratory for the science/applied science programmes, the cost is to be paid by the Learner.
- For receiving any duplicate documents viz. Identity Card, Library Card, Admit Card, Study Material (each paper), CD etc. a fee (for each) is to be paid.

vi) Cancellation of Admission

Admission is liable to be cancelled at any stage on the following grounds:

- A candidate admitted to a programme provisionally without verifying and ascertaining his / her eligibility for admission and found ineligible later through scrutiny of the filled-in admission form.
- Suppression of facts, furnishing incomplete, wrong or false information in filled-in Admission Form.
- Misconduct, Indiscipline and Violation of University Norms, Rules and Regulations.

vii) Refund

If found ineligible later on, admission will be cancelled and claim for refund of such fees will be considered by the University after deduction of service

charges, as applicable from time to time as per prevailing norms of the University.

4. CREDIT TRANSFER

A learner can apply for Credit Transfer for the courses which were completed successfully, both within the University or other Higher Educational Institutions. But they could not claim for the courses which had already formed basis for any other Degree, that is the benefit of a course cannot be availed twice.

Credit transfer will be done only on the basis of individual courses and not on the basis of year to year courses, as in conventional Universities.

There are two kinds of Credit transfer, namely i) External Credit Transfer and ii) Internal Credit Transfer.

i) External Credit Transfer

As per credit transfer rules, a candidate is required to seek admission in the 1st year of the programme, like any other candidate. Once the admission is confirmed by the University on allotment of Enrolment Number, student can apply for transfer of the credits in respect of the courses completed from the accredited Universities/ institutions.

The learners by opting the courses in such a way to complete the balance credits can reduce the period of study prescribed for the degree programme (refer to detailed credit transfer scheme policy). The learners availing credit transfer would be allowed to complete the programme in a lesser duration; provided they do not offer less than 32 credits in a year. However, the final decision will be arrived at the committee constituted for this purpose from time to time.

In addition, they have to fulfil the following conditions stated in the case of Internal Credit Transfer.

ii) Internal Credit Transfer

- Credits earned only under the old Enrollment Number would be considered for transfer to the new Enrolment.
- Full credit transfer would be allowed if the syllabus and methodology now in vogue are similar to that governing the student under the old enrolment.
- Credit transfer fee per course, is to be paid by way of a Demand Draft drawn in favour of 'TNOU' payable at Chennai.
- Students would be allowed to change the courses registered for the 1st year under new Enrol. No., against the left over courses of 1st / 2nd year under new enrolment, subject to the maximum credits permissible for a given academic year, by remitting the prescribed fee. For this, they will have to apply separately in the prescribed Form.
- Change of course is accepted in 'one go' only.

- Under no circumstances students will be allowed to opt more than the maximum permissible credits of 32 for a given academic year in the respective programme under new Enrol. No.
- A student is required to complete the prescribed courses as per Programme structure of the respective Programme under new Enrolment, including the credit transfer allowed courses, for the award of under graduate degree
- If the dates of Counselling and/or Practical classes clash by way of merging the left over courses of 1st/2nd year, students are required to apply for repeat/missed practical(s) to the University, in the next cycle/ session, as per University rules.
- Students are required to spend the minimum duration to complete the left over courses in the new Enrolment Number, provided that the courses do not exceed as per Programme structure for a given academic year. If the left over courses exceed the permissible limit, then the duration for completion of the programme would be extended further depending upon the number. of credits for the left over course(s).
- All Credit transfer cases will be handled by Student Registration and Evaluation Division (SR & ED) at Headquarters. Wherever required, SR & ED will forward to the School concerned to examine the admissibility of credit transfer or otherwise and in case of any conflict, the final decision will be arrived by the committee constituted for this purpose from time to time.

5. ELIGIBLE FOR THE AWARD OF DEGREE

The learner should have subsequently undergone the prescribed programme of study in the University for a period of not less than THREE academic years (six semesters in Semester pattern or three years in Non-Semester pattern), passed the examinations prescribed and fulfilled such conditions as have been prescribed thereof. However, the candidate enrolled in BPA programme shall have to undergo subsequently for a period of not less than FOUR academic years FOUR years(eight semesters in Semester pattern or four years in Non-Semester pattern),

6. SYLLABUS

The syllabus for various programmes shall be clearly demarcated into five viable blocks in each course and further divided into units according to content.

7. PROGRAMME DELIVERY MECHANISM

i) Self Learning Material (SLM) in Print /e content

Learning Material through print-media is termed as Self Learning Material, being developed with the approach of self-explanatory, self-contained, self-directed, self-motivating and self-evaluating. It is an inbuilt teacher. SLMs

include all the materials prepared to stimulate independent study/learning. As the learners in distance education have less contact with either the institution or the tutor, they depend heavily on these specially prepared teaching materials – largely pre-planned, pre-produced and pre-packed.

ii) Learner Support Centre

A Learner Support Centre shall be established only in a College or institution affiliated to a University or in a Government recognised Higher Educational Institution offering programmes in the same broad areas having the necessary infrastructure and human resources for offering the TNOU programmes i.e Government Arts and Science Colleges/Aided Colleges/Self-financing affiliated to the State Universities in Tamil Nadu.

iii) Attending Induction Programme

The Learners are expected to undergo one day induction programme which is to share information related to the various programmes, courses, syllabi, counselling classes for theory/ practical, assignments, examination, grievances redressals, online support and supportive activities of TNOU.

Learner Support Centre shall arrange Induction Meeting for fresher at the beginning of the academic session/counselling class. All learners shall be given prior information about the meeting through e-mail and SMS

iv) Components of One Credit with Distribution of Study Hours

Particulars	TIME
Self-Study by a learner @ 4 hours per Block including the in-text questions, for 5Blocks to make one credit	20 Hours
View of one video and 2 Audio Programmes	3 Hours (@ 10% of total time)
Preparation for assignment response	4 Hours
Academic Counselling at Study Centre	3 Hours (@ 10% of total time per credit)
Total Study hours by Learner	30 Hours

v) Arrangement of Academic Counselling

- The Learner Support Centers of the University shall provide opportunity to the learner for face-to-face interaction with counselors. Keeping in view the convenience of learners, counselling sessions/group's discussion etc. shall be organized on weekdays, holidays and Saturday/Sundays as per approved scheduled. The Learner Support Centers shall also provide pre-entry counselling to the prospective learners and clear their doubts.
- The University decides the study hours or working of learners based upon the number of credits. For instance, a learner has to work for not less than 96 credits (1 credit =30 study hours) for undergraduate degree programme of three year duration.
- In TNOU, out of the total study hours in terms of credits to be completed, 10% of the study hours are covered through the face-to face academic

counselling at the Learner Support Centers (LSCs). The remaining 90% of the study hours is to be undertaken by learners through self-study with the help of Self-Learning Materials (SLM), writing assignments, getting multi-media support etc.

- In nutshell, every credit of a course 10% should be taken for conducting academic counselling classes for theory papers i.e. (1 credit is equivalent 30 hours, hence 10% means 3 hours per credit).

vi) Procedure for Preparing the Schedule for Academic Counselling

- Once the number of counselling sessions are organized for each course is calculated based on the number of credits, while preparing the schedule is the number of learners allotted in the particular programme/course.
- The maximum number of learners to be assigned in a group is 60. If the number of learners exceeds 60 a second group may be formed. However, as a norm of the University, the number in any group should not be less than 10. If attendance in academic counselling for a group of 60 learners is less than 10 in two continuous sessions intensive counselling may be organized.
- In a situation when the number of learners enrolled in any course is less than 10 Intensive Counselling sessions may be organized. The number of academic counselling sessions in this case will be 40% of the total number of sessions prescribed for the course.
- There may be a situation in which there is no attendance at all in a counselling session. In such situation academic counselling be organised only on demand of the learner(s).

Practical course of Sciences, Applied Sciences and Computer Education Programmes (specific Personal Contact Programme) are conducted on a regular basis on Saturday/Sunday. This is mainly due to the large number of practical courses in the academic cycle of the concerned programmes. Attendance for practical is compulsory. The learner shall have a minimum attendance of 75 per cent, in the practical of each of the programmes and detailed attendance records have been maintained by Learner Support Centre. Practical sessions to the extent of twenty percent could be provided through virtual lab mode

8. EVALUATION AND ASSESSMENT PROCEDURES FOR AWARDING MARKS

The marks obtained in each course of Programme would be a summation of Assignment Marks (A) and Term-End Examination Marks (B) recalculated in 30% and 70% weightage respectively. Aggregating of marks (obtained out of 100), following the usual procedure, is allowed only Course-wise - while calculating the 'Marks Obtained' (A + B) for each individual Course, as narrated in the Mark Sheet

TNOU follows CIA through combinations of theory assignments, practical assignments, project work, workshop /seminar, practicum and internship and

such other components. Term-end evaluation is through Term-End Examinations. Proportionate weightage is given to both the components for calculation of final grade and the same will be followed all TNOU programmes. The marking system includes marks/grades

8.1. Continuous Internal Assessments (CIA)

i) Assignment:

1 assignment for every 2 credits is to be prepared by the learners. Eg. If a Course is developed for 3/4 Credits, then 2 numbers of Assignments are to be written by the learner to complete the continuous assessment of the course. Assignment carries 15 marks, consists of Essay type Questions (1000 words) for each Course.

Assignment Pattern:

Answer any one of the questions not exceeding 1000 words	Max – 15 Marks
Question - 1	
Question - 2	
Question - 3	

ii) Attendance for attending academic counselling classes

Maximum 15 Marks may be awarded to the learners for attending in Academic Counselling Classes conducted at LSC based on 75 % of attendance for Academic Counselling Classes (theory) and mandatory per cent of attendance for practical courses in respective programmes. Total Aggregate marks secured by the students will be progressively entered into record under CIA

In case, a student could not get minimum passing marks in CIA, he/she may be permitted to resubmit the assignment(s) to obtain a minimum pass mark after paying prescribed fee. The learners who have resubmitted the assignments for getting passing minimum cannot be given more than one opportunity and marks obtained in the resubmitting assignments may be taken to the CIA for awarding marks.

The following split up will be followed in awarding the Continuous Internal Assessment Marks (Maximum 30 marks):

1	Submission and evaluation of Assignments	=15 Marks (Compulsory)
2	Attending in Academic Counseling Classes in LSCs (75% of Attendance may be considered for maximum marks)	= 15 Marks

8.2. Term End Examination

Pattern of Question Paper

The pattern of the University Examinations Question Paper for all the courses will be as follows:

i) For all theory papers of the University Examinations (except Physics, Chemistry, Botany, Zoology, Computer Sciences and Fashion & Apparel Design) is for 70 marks, with a break up of 09 marks for Section A, 21 marks for Section B and 40 marks for Section C.

Question Paper Pattern for Term End Examination			
SECTION – A			
3 questions out of 5 questions	100 words	3X 3	9 Marks
SECTION – B			
3 questions out of 5 questions	200 words	3X 7	21 Marks
SECTION – C			
4 questions out of 7 questions	500 words	4X 10	40 Marks
Total			70 Marks

ii) For all theory papers of the University Examinations only for Physics, Chemistry, Botany, Zoology, Computer Sciences and Fashion & Apparel Design is for 70 marks, with a break up of 10 marks for Section A, 20 marks for Section B and 40 marks for Section C.

Question Paper Pattern for Term End Examination			
SECTION – A			
5 questions out of 5 questions	50 words	5X 2	10 Marks
SECTION – B			
4 questions out of 7 questions	150 words	4X 5	20 Marks
SECTION – C			
4 questions out of 7 questions	400 words	4X 10	40 Marks
Total			70 Marks

The following are the evaluation pattern for awarding marks of CIA and TEE with effect from the Calendar Year 2020 onwards for all the programmes.

Programme	CIA (1)		TEE (2)		Overall passing Aggregate	Maximum Marks
	Min Pass Mark	Maximum	Min Pass Mark	Max	(1)+(2)	
UG Programmes	13	30	25	70	40	100

If any student could not obtain a minimum pass mark, he/she may opt for either reappear the Term End Examination OR redo the assignment to obtain the passing minimum after paying the necessary fees. The programme structure and scheme of examination are given in detail in **Annexure-B**.

8.3. Assessment for Laboratory Courses

For Laboratory Courses in science/Applied Science programmes out of 100 marks, the maximum marks for Continuous Assessment is fixed as 30 and the Term End Practical Examination carries 70 marks.

Every laboratory exercise / experiment shall be evaluated based on the learners performance during the laboratory class and the learner's records

maintained in the assigned Learner Support Centre (LSC).

There shall be at least one assessment test. The criteria for arriving at the Continuous Assessment marks of 30 shall be decided at the respective course counsellor.

The University examinations for Laboratory courses will be of 3 hours duration and shall normally be conducted during the normal office hours.

9. EXAMINATION SESSION

i) In semester pattern

Academic Year (AY):

November and December during the odd semesters and between may and June during the even semesters.

Calendar Year (CY):

May and June during the odd semesters and between November and December during the even semesters.

ii) In Non -Semester pattern

Academic Year (AY) :

May and June during the Term end

Calendar Year (CY) :

November and December during the Term end

10. CONDUCT OF EXAMINATION

i) Regular Examinations

Normally, the examination will be conducted for duration of three hours, on a specified day as scheduled in the Examination Time Table, for the respective programmes, at the specified examination Centres through written mode (offline). In the event of any pandemic situation/emergency, the University shall conduct the Examination or any other assessment activity through online, offline or a combination of both or any other methods, as and when suggested/guided by the regulatory bodies of the State/ Central Governments from time to time. **The examination process will be executed as per the Examination Manual of the TNOU.**

ii) Supplementary Examinations

The students, those who have failed in One/Two courses in the Term End Examination are permitted to appear for the Supplementary Examinations so as to get their Degrees without lapse of years. The procedures that are followed for the Term End Examinations shall also be applicable to the Supplementary Examinations.

11. PASSING MINIMUM

A candidate who obtains not less than 25 marks out of 70 marks in each course in the Term End Examination and a candidate who obtains not less than 13 marks out of 30 marks in each course in the Continuous Internal Assessment and 40% marks in the aggregate of both Term End Examination and Continuous Internal Assessment shall be declared to have passed.

12. CLASSIFICATION OF SUCCESSFUL CANDIDATES

Candidates who pass all the major subjects shall be classified as follows:

FIRST CLASS	Candidates securing 60 percent and above of the marks in the aggregate shall be placed in the First Class.
SECOND CLASS	Those who have obtained less than 60 percent but not less than 50 percent of the marks in the aggregate shall be placed in the Second Class.
THIRD CLASS	Those who obtain less than 50 percent but not less than 40 percent of the marks in the aggregate shall be placed in the Third Class.

i) Photocopy / Revaluation

A candidate can apply for photocopy of his/her semester /non-semester examination answer script in a theory course only, within 15 days from the declaration of results, on payment of a prescribed fee through proper application to the Controller of Examinations as per the TNOU norms.

Re-evaluation is applicable only for theory papers and shall not be entertained for other components such as practical, Thesis and Dissertation

The COE shall arrange for re-evaluation of such answer-scripts by an examiner from the approved panel of examiners. In case the difference between the 1st & 2nd valuation is 15 marks and above, this paper will be sent for 3rd valuation. The mark awarded in the 3rd valuation is final.

The marks awarded by the original examiner if marked on the answer scripts shall be concealed from the answer script and sent for revaluation.

13. GRADING

Once the marks of the CIA and end-semester examinations for each of the course are available, they shall be added. The mark thus obtained shall then be converted to the relevant letter grade, grade point as per the details given below:

Conversion of Marks to Grade Points and Letter Grade (Performance in a Course/Paper)

RANGE OF MARKS	GRADE POINTS	LETTER GRADE	DESCRIPTION
90-100	9.0-10.0	O	Outstanding
80-89	8.0-8.9	D+	Excellent
75-79	7.5-7.9	D	Distinction
70-74	7.0-7.4	A+	Very Good
60-69	6.0-6.9	A	Good
50-59	5.0-5.9	B	Average
40-49	4.0-4.9	C	Satisfactory
00-39	0.0	U	Re-appear
ABSENT	0.0	AAA	ABSENT

C_i = Credits earned for course i in any semester

G_i = Grade Point obtained for course i in any semester

n = refers to the semester in which such course were credited

i) Grade point average (for a Semester):

a) Calculation of grade point average semester-wise and part-wise is as follows:

$$\text{GRADE POINT AVERAGE [GPA]} = \frac{\sum_i C_i G_i}{\sum_i C_i}$$

Sum of the multiplication of grade points by the credits of the courses offered under each part

GPA =

Sum of the credits of the courses under each part in a semester

b) Calculation of Grade Point Average (CGPA) (for the entire programme):

A candidate who has passed all the examinations under different parts (Part-I to IV) is eligible for the following part wise computed final grades based on the range of CGPA.

c) Cumulative Grade Point Average [CGPA] = $\frac{\sum_n \sum_i C_{ni} G_{ni}}{\sum_n \sum_i C_{ni}}$

Sum of the multiplication of grade points by the credits of the entire programme under each part

CGPA =

Sum of the credits of the courses of the entire programme under each part
