Part - 6: Compliance status of 'Quality Assurance Guidelines of Learning Material in Multiple Media, Curriculum and Pedagogy' – As per Annexure - VII of UGC(ODL) Regulations, 2017:

HEI shall mention compliance details against the requirements in terms of Learning material (Print Media), Audio-Video Material: Quality Standards, Online Material: Quality Standards, Computer-based material: Quality Standards and Curriculum and Pedagogy: Quality Standards, as mentioned in the Annexure-VII of the Regulations.

Learning Material (Both print and Non-print form): Self-learning Materials (SLMs) differ from a chapter of a textbook or an article of a journal. The chapters of a text book usually present information in a very compact form. They are closer to reference material than to learning materials. They are organized in terms of the subject matter rather than to aid learning. On the other hand, SLMs are the instrument for learning. The main characteristics of SLMs prepared by TNOU are Self-explanatory, Self-contained, Self-directed, Self-motivating and directed towards Self-learning. Curriculum and Pedagogy: Keeping in view the skills, attention span and study habits of the learners, the content load is designed to be appropriate and manageable. A unit is a pedagogical unit that can be completed by a learner within a reasonable period of time, say for example, 5-6 hours, i.e., at the most three sittings. The SLM at TNOU are prepared as per these norms.

Part - 7: Compliance status of 'Guidelines on preparation of Self-learning Material' – As per Annexure - VIII of UGC (ODL) Regulations, 2017:
